#### **INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins on 26<sup>th</sup> September, 2025 at 10.00 A.M. (IST) and ends on 28<sup>th</sup> September, 2025 at 5.00 P.M. (IST). During this period Shareholders of the Company, holding shares

either in physical form or in dematerialized form, as on the cut-off date (record date) i.e. 22<sup>nd</sup> September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars, as amended, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. The Standalone Financial Statements of the Company for the financial year ended March 31, 2025 have been prepared in accordance with the Indian Accounting Standard (Ind AS) as notified by the Ministry of Corporate Affairs and as amended from time to time.

(Rs. in Lakhs)

The Company's Profit after Tax for the year is Rs. 206.10 Lakhs compared to Rs. 288.31 Lakhs in the previous year. The decline in performance was mainly due to several factors, including slower GDP growth in India, foreign fund outflow, and rising global inflation and interest rates. These challenges led to lower investor confidence, reduced trading volumes, and less participation from retail investors. Additionally, changes in Tax policies and weaker domestic consumption further affected market activity, particularly in the cash segment.

Despite these market challenges, the Company's disciplined approach to cost management and operational efficiency allowed us to maintain an EBIT margin of 29.55% and a Net Profit Margin of 20.94%, demonstrating resilience in a difficult market environment. We remain committed to optimizing our operations, retaining clients, and strengthening our business to overcome such challenges and build a foundation for future growth.

### **MATERIAL CHANGES AND COMMITMENTS**

No material changes and commitments, affecting the financial position of the Company have occurred between the end of the financial year of the Company and the date of this report.

### **MARKETS PERSPECTIVE**

Continuing with the trends seen in the previous Financial Year (FY'24) Most of the Financial Markets, especially the Equities Markets remained quite buoyant, right from upstart of FY'25. In fact, the slight weariness seen towards the fag end of FY'24 was swiftly overcome, right at the onset of April month of 2024. The signals were quite clear that the markets had coped with the minor, yearend accounting readjustment dynamics in March of 2024 & hence quickly recouped from the mild slackness, signaling that the bigger Macro Picture remained clearly buoyant!

This renewed buoyancy simply kept accentuating, not just through the first quarter but well into the 2nd quarter. In fact, July month was particularly secure in its all-round optimism for the Equity Markets across the Globe in general. Our own markets in particular, romped up on multiple sub-segments & were aptly displayed in the lead Benchmarks across the board. The most popular & widely tracked Indices led by the NIFTY & SENSEX locally & the Wall Street barometers like DOW JONES, NASDAQ, S&P-500 etc. all of them hit newer Life-Highs numerable times in the time zone ranging from April through late September wherein the NIFTY hit a new peak @ 26,277!

However, the onset of October suddenly brought about a shift & a sudden downturn in the tides, driven by an unusual factor that was seldom known. With CHINA suddenly rising from slumber & announcing big ticket measures to shore up their own disgruntled markets, by pronouncing a large scale Impetus package worth Trillions of Dollars as pump in plans, the Global Fund flow equation jerked suddenly & the likely diversion of Fund flow from Indian shores back to China caused a sharp ripple. However, with our own Government proactively signaling the continuation of the development agenda, the Equity Markets regrouped quickly & by the time of Financial year 2024 concluded, things were back in fine fettle.

The onset of new Financial year 2025 ushered in a fresh & a much tougher set of head winds, driven by the

changing dynamics in the US Leadership under Mr. Donald Trump, who made it very obvious that path breaking new Trade rules will be implemented with all seriousness. As the official Trump regime kicked in on 20th January, the TRADE TARIFF warfare became the buzz word all over the financial markets, across the globe & led to an unprecedented upheaval rarely seen.

Driven by these forceful factors, the 4th quarter of FY 2024-25 witnessed an unusually large extent of collateral damage for the Equities markets, across the Globe with India too getting its own share & more of disruption. Again, as the typically vulnerable month of March (burdened by several account streamlining episodes) concluded, the hopes of the new FY setting in were also punctured with the announcement that 2nd April be set as a "Liberation Day" by the US President. Thus, the flow of bad news continues & intensified upfront in the new FY! As things stand, there is some extent of easing of tensions as the Most Powerful chairs in the Globe realized that this serious issue needs to be addressed much more practically caused some soothing of nerves. Thus, the cyclicity nature of the Markets' function once again managed to raise fresh hopes for future outlook but is still quite difficult to quantify the immediate future path!

### **BUSINESS OUTLOOK FOR THE YEAR 2025-26**

In sync with the uncertainties playing out in the Financial Markets most of the market intermediaries, especially with a predominant Equity Segment focus are facing a very challenging situation currently. As such it is a well-known theme that the Equity Markets, across the Globe, are most sensitive to "Uncertainties" and in the current times we are facing these headwinds of unusual magnitude. Hence, we view this as very challenging situation. However, as a multi decades existing Entity in these business segments, we are geared up much better than several peer players. For instance, we continue to thrust on core skills like technology competency & Research capabilities & we are confident that these virtues will stand us in good stead & stay ahead of competition, although the bigger picture worries remain as realistic threats for the first half of the new Financial Year.

### **STATE OF THE COMPANY'S AFFAIRS**

During the financial year 2024-25, the Company reported revenue from operations of Rs. 982.84 lakhs, a decline of 6.70% from Rs. 1,053.39 lakhs in FY 2023-24. EBIT stood at Rs. 290.85 lakhs (PY: Rs.399.67 lakhs), and EBT was Rs 275.88 lakhs (PY: Rs.384.91 lakhs). Net

Profit declined by 28.51%, from Rs.288.31 lakhs to Rs.206.10 lakhs.

Financial Year 2024-25 has been a challenging year for the company, despite the challenges, we are committed in strengthening our business to overcome such challenges and build a foundation for future growth.

**Financial Performance with Respect to Operational Performance**

EBIT stood at Rs. 290.85 lakhs (PY: Rs.399.67 lakhs), and EBT was Rs 275.88 lakhs (PY: Rs.384.91 lakhs). Net Profit declined by 28.51%, from Rs.288.31 lakhs to Rs.206.10 lakhs.

The decline in performance was mainly due to several factors, including slower GDP growth in India, foreign fund outflow, and rising global inflation and interest rates. These challenges led to lower investor confidence, reduced trading volumes, and less participation from retail investors. Additionally, changes in Tax policies and weaker domestic consumption further affected market activity, particularly in the cash segment.

Despite these market challenges, the Company's disciplined approach to cost management and operational efficiency allowed us to maintain an EBIT margin of 29.55% and a Net Profit Margin of 20.94%, demonstrating resilience in a difficult market environment. ### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with the requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Management's responsibility and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that

give a true and fair view of the financial position, financial performance, change in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND-AS) specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statement, the board of director is responsible for accessing the Company's ability to continue as a going concern, disclosing as applicable matter related to going concern and using the going concern basis of accounting unless the board of director either intends to liquidate the Company or to cease the operations, or has no realistic alternate but to do so.

That the Board of Directors are responsible for overseeing the company's financial reporting process.

### **Auditors Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards of Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **ANNEXURE B TO THE AUDITORS' REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of CIL Securities Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all Material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depends on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute.

Recognized financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss Account.

**24.7 Classification and Subsequent Measurement****A). Financial Assets**

◆ **Debt Instruments at Amortized Cost** : – A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- (i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

◆ **Equity Instruments**

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

◆ **Mutual funds**

All mutual funds in scope of Ind-AS 109 are measured at fair value through profit and loss (FVTPL).

**(B) Financial Liability**

Financial liabilities are measured at amortized cost. The carrying amounts are initially recognised at fair value and subsequently determined based on the EIR method. Interest expense is recognised in profit or loss. Any gain or loss on de-recognition of financial liabilities is also recognised in profit or loss. The Company does not have any financial liability which is measured at FVTPL.

- The contractual rights to receive cash flows from the financial asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset and the Company has transferred substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On De- recognition of a financial asset, the difference between the carrying amount of the asset and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

**(B) Financial Liabilities**

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is

treated as a de-recognition of the original liability and the recognition of a new liability. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying value of the original financial liability and the new financial liability with modified terms is recognised in profit or loss.

#### **24.10 Impairment of Non-Financial Assets**

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefit vest after five years of continuous service

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future

benefit that the employees have earned in return for their service in the current and prior period. Such benefit is discounted to determine its present value, and the fair value of any plan assets, if any, is deducted.

The present value of the obligation under such benefit plan is determined based on actuarial valuation.

##### **(iii) Compensated Absences**

Compensated absences benefits are expected to be paid in exchange for the services rendered by the employees during the year. These benefits are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of such compensated absences is accounted as under:

- (a) In case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date. Changes in deferred tax assets / liabilities on account of changes in enacted tax rates are given effect to in the statement of profit and loss in the period of the change. The carrying amount of deferred tax assets are reviewed at each Balance Sheet date.

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.
